## AROVISTA SCHOOL POLICIES AND PROCEDURES

### **ARRIVAL TO SCHOOL**

No student is allowed on the school campus before 7:45 a.m. There is no adult supervision prior to that time. Extended Child Care is available on campus from 7:00 a.m. to 6:00 p.m. For more information call 714 990-7527. If the bus drops off before 7:45 a.m., students will be expected to walk to the blue tables to sit quietly until the 7:45 a.m. bell rings.

### **TARDIES**

Children are expected to be in the classroom on time. Students arriving after 8 a.m. are to report directly to the office to obtain a tardy slip for admittance into their classrooms. The office will mark the reason the child is tardy. Students who are more than 30 minutes late to school are marked as a truant for their attendance records

### **ABSENCES**

All children between the ages of 6 and 16 are required by law to attend school. All absences, including absence due to illness, injury, or quarantine are recorded. A satisfactory explanation from the parent is required by telephone call, in person, or by written note in all cases of absence. ***We would appreciate a phone call to the school on the morning of the absence (714) 529-2185.*** Students who have poor attendance will receive attendance letters notifying parents of concerns. Students will be placed on an attendance contract, if necessary, and the student will be referred to the School Attendance Review Board (SARB).

If you plan on a non-medical absence of five days or more, please apply for our Independent Study Program. This must be authorized in advance.

### **RELEASE DURING THE SCHOOL DAY**

Students will be released only to their parents or a designated guardian. All students who are released from the school during the instructional day must be signed out through the office. If your child is to be released during the day, it is necessary that you or your designated guardian, come to the school office for your child. If a person other than yourself, or a person not listed on the emergency card, is to pick up your child, the office must have your written consent and verification.

Be certain to stress with your children the importance that they not accept rides, candy, or favors from unknown persons when going to or from school. If the child is ever approached, he/she should report the incident to the principal immediately.

Please make every attempt to schedule doctor and dentist appointments outside the school day. Removing students from the classroom causes a disruption in the learning process.

**EMERGENCY CARDS: Very Important!**

The Emergency Card has a duplicate yellow sheet underneath, so press hard so the writing goes through. An emergency card is maintained for each student in the school. For your child's sake, please keep our information current. Whenever you change jobs, babysitters, telephone numbers, emergency parent/neighbor, please notify the office. **EMERGENCY CARDS SHOULD BE FILLED OUT ENTIRELY and returned no later than Friday, SEPTEMBER 1, 2017.**

**OFF CAMPUS TRIP PERMISSION CARD (white cardstock ½ sheet)** This card is kept with your child's teacher. When students leave campus for any reason, the class set of cards accompanies them. This enables the teacher to have emergency contact numbers, should the need arise.

**MEDICATION**

Whenever possible, arrangements should be made to give medication outside of school hours. Children required to take medication during school hours **MUST HAVE** Parent/Guardian and Health Care Provider request forms completed and filed in the school office before the medication may be given. These forms may be obtained at the school office.

Medication should **NOT** be sent to school with a child. Cough syrups, cough drops, ointments, and aspirin are considered medication.

We also request to be informed if your child is receiving any medication on a regular basis; this could be very important in an emergency.

**REQUESTING HOMEWORK**

Any requests for homework must be made before 10:00 a.m. and will be available for pickup between 2:10 p.m. and 4:00 p.m.

**USE OF THE SCHOOL PHONES/CELL PHONES**

Only in cases of **serious need** will students be allowed to use the phone in the office, as such practice interferes with conducting school business. Teachers have outside lines in their rooms in case of emergency. Parents can leave messages by asking the office for the voice mail of a teacher so that teachers are not disturbed in the middle of a lesson. Many calls may be averted if the child and parent discuss plans for the day before leaving for school. Let your child know the plan for being picked up after school especially on rainy days or other after-school programs. A note is required for any change in the student's normal route/transportation home.

For safety purposes, cell phones are allowed to be brought onto campus but certain practices and procedures must be followed. Students who choose to bring cell phones to school must keep them turned off and in their back packs while on campus, unless permission is given by your child's teacher to be used in class as a learning tool. There is to be no texting or phone calls during the school day. If a student is found to have a cell phone out of his/her backpack without permission during the school day, the cell phone will be turned into the office and parents will be asked to pick up the device from the office. The school will not be responsible for personal property.

**TECHNOLOGY**

School Board Policy 6163.4 on Student Use of Technology is followed in regards to Online Services, Internet Access, and User Obligations and Responsibilities. The school will not be responsible for personal property. No electronic devices (ex: iPod players, iTouch, iPad, etc.) are

permitted at school without proper permission. Students who choose to bring cell phones to school must keep them turned off and in their backpacks unless they are given permission by a staff member. If classroom projects allow and empower students to bring their own technology to complete their assignments, this must be approved by the teacher. To ensure safety for all students, and appropriate usage, these electronic devices are not to be used at recess or lunch and must be kept in the student's backpack.

### **DRESS CODE**

Student dress should indicate respect for the educational environment and should be suitable for an active schedule. Students need to wear tennis shoes on P.E. days. If a student comes to school and his or her dress or hair is a distraction to others, parents will be notified and the student will be removed from the classroom until he/she is in compliance with the school dress code.

Several examples of inappropriate attire include:

- Midriff baring, strapless, spaghetti strap, halter or backless tops
- Student's hair that is not of naturally occurring hair color or a style that is disruptive
- All types of hair pieces need to be naturally occurring hair colors (feathers, extensions, faux extensions, hair pieces etc.
- Shorts/skirts/dresses that are not mid-thigh (1/2 the distance between hip and knee). Girls are encouraged to wear shorts under their skirts or dresses
- No backless shoes, like flip flops (open toed are okay)
- No hats on inside buildings, including the cafeteria
- Displays of obscenity, drugs, alcohol, sex, and/or violence on clothing, jewelry or other apparel
- Make-up or cosmetics

The Arovista staff wants all students to have a safe and wholesome environment in which they can learn and grow. Variances in student dress code only include whole school sponsored spirit days/and or activities, per the principal's direction.

### **VIDEO/PICTURE RELEASE**

From time to time students are photographed or videotaped for newspaper articles, television, or the Internet. Your signature on the attached return slip indicates your approval, unless indicated otherwise.

### **USE OF SCHOOL LIBRARY**

Students will visit the library on a weekly basis. Students are responsible for lost or damaged materials. This policy also applies to damaged or lost textbooks. Students need to accept personal responsibility for school materials/textbooks.

### **CLASSROOM VOLUNTEERS/VISITATION**

Our parents are cordially invited to volunteer at the school as often as possible. We are very proud of our school and you are most welcome to volunteer. **When you come, please sign our Visitor Sign-In Log and put on a visitor's badge.** If you are helping the teachers, please indicate your time in and time out. Volunteer hours are calculated and sent to the district office.

### **BICYCLE RIDING**

Only students in grades 3-6 are permitted to ride bikes to school. Bikes are to be left in the bike racks. Students are advised to follow laws regarding wearing bicycle helmets. No other wheeled vehicles may be brought to school. This includes such items as roller skates, skateboards, scooters, wheeled shoes, etc.

### **DONATIONS AND CONTRIBUTIONS**

Due to reductions in funding for schools, BOUSD wishes to maintain the high level of programs expected by our schools and community through the solicitation of donations. These contributions are requested to help defer, or offset, the additional costs of providing exceptional programs and activities at their current high level. Education Code does require that all students be allowed to participate in core curricular and co-curricular activities without limitations. Without your support of these programs through your donations, we may need to redesign or reduce programs to match the limited funding provided by the State. Please be assured that we appreciate your support in order to make these experiences more meaningful for all students.

### **OFF LIMITS AREAS**

Students may not enter school classrooms without a teacher or other adult. This rule is in effect before and after school and during all recesses.

Thank you for your support in this effort.

## CAFETERIA GUIDELINES

Eating snacks and lunch meals in the Arovista School Cafeteria should be a positive experience for all students and teachers. It is a time for good nutrition and to demonstrate good manners. **If your child brings his/her lunch, please do not include candy or soda.**

Our cafeteria serves a well-balanced hot lunch each day for \$2.75 and offers a mid-morning snack for \$1.25. Menus are distributed to students at the beginning of each month. Parents are encouraged to prepay for meals by bringing in cash or a check payable to BOUSD to the school office or by paying online at [www.myschoolbucks.com](http://www.myschoolbucks.com). Call 714-990-7838 for more information. For low-income families, free or reduced-priced meals are available. An application form is sent home with every student registered on the first day of school. Applications also are available online at [www.bousd.us](http://www.bousd.us) (Departments, Food Services). Students must reapply each year.

All children will eat together with their class at an assigned table. The children are required to remain in their seats for a minimum of 20 minutes while they finish their lunch. Cafeteria rules must be followed or privileges may be restricted.

Parents who bring lunch for their child may eat with them on the outside picnic tables, after checking in with the office as a visitor. Parents dropping off lunches for students after arrival time should have them labeled with teacher name and student's name. Classes will not be interrupted until the designated lunch time.

## BUSES
